

DETERMINATION OF NONSIGNIFICANCE

Description of proposal: The proposal consists of an uneven-aged timber harvest on approximately 30-acres. No roads will be constructed with this proposal. This review only covers the Forest Practices Application (FPA) activities as described in FPA #2914479. Proposals for future activities related to this site may require additional SEPA review.

Proponent: Brock & Dolly Brinson
219 Grimes Road
Toledo, WA 98591

Location of proposal, including street address, if any: The site is located in a portion of Section 32, Township 12 North, Range 1 East, W.M., Lewis County. The harvest is approximately 11 air miles east of Winlock, Washington.

Lead agency: The lead agency for this proposal has determined that it does not have a probable significant adverse impact on the environment. An environmental impact statement (EIS) is not required under RCW 43.21c.030(2)(c). This decision was made after review of a completed environmental checklist and other information on file with the lead agency. This information is available to the public on request.
